Residential Care

Hythe View is equipped to offer residential care in well-furnished rooms and comfortable, attractive communal areas both inside and outside.

We recognise that our residents require varying levels of support and adjust care plans accordingly.

Family and friends will always be made welcome, and are encouraged to visit, whether to stay for a meal or just spend time together.

Nursing Care

At Hythe View, we have established an excellent reputation for our nursing care facilities.

We have a dedicated team of highly qualified care staff who are on hand 24 hours a day to provide nursing and personal care. We tailor the care we provide to the individual needs of each and every one of our residents.

“We came to visit my aunt and were really impressed, the staff are always friendly and the place was clean. The activities they have in the home are amazing and my auntie is always joining in and really enjoys them. My auntie is happy with the food and is always praising it.”

Our Ethos

At Hythe View, we are passionate about the service we provide and caring for our residents in later life.

Our ethos is to promote a relaxing atmosphere of care and support which both encourages and enables our residents to live as fulfilled, interesting and independent a lifestyle as possible.

From the friendly faces you encounter as you walk through the door to the tastefully decorated accommodation, the delicious meals on offer and the warm and welcoming atmosphere, our aim is always to provide a comfortable and desirable home from home.

Infection Control

Hythe View recognises its responsibility and clearly communicates the safe working practices required for infection prevention and control to all staff.

Hythe View is committed to minimising the risk of infection to our home by ensuring good standards of basic hygiene and applying universal infection control procedures.

Hythe View achieves this through a robust risk assessment process, implementation of effective controls and the provision of PPE, appropriate training and equipment.

Our Facilities

- ✓ Comfortable rooms with TV;

Activities

We encourage residents at the home to fulfil their potential and lead active lives.

We have a dedicated Activities Coordinator who ensures that each resident can participate in activities tailored to them or as part of a group, daily.

Aside from the daily programme, we have weekly events from external groups, e.g. singers.

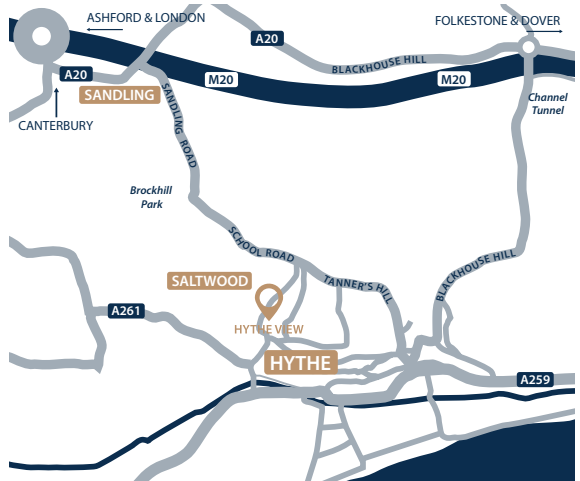

The ethos of the home is that every moment has the potential for a resident to be stimulated and engaged in fulfilling their social needs.

“ It is an excellent nursing home and the care is first class. I would not hesitate in recommending it to anyone. ”
